### PLEASE READ

We are celebrating 20 years of our great open hunt. MARG is donating \$3,000 in coins, cash and detectors and into the hunts over the weekend. If you have been to our hunt in the past, you know what a great time is to be had. If you haven't been here before or not in a while, bring a friend and join us in our celebration. We will be having raffles during the weekend for **gold, silver, detectors, free hunt entry into next years hunt and a very large treasure chest filled with prizes.** The raffles are our means of making a little extra money so please support your wonderful hosts: (\$20 bills work very well for raffles)

Thank you, MARG

MARG'S guest speaker is one of our own club members Terry Shannon. Terry and his wife Jean live in Frazee, Minnesota.

Terry served in the navy stationed on the aircraft carrier USS Saratoga CVA 60 stationed out of Mayport, Florida. He enjoyed a career in law enforcement beginning as a police officer in Moorhead Minnesota, elected sheriff of Becker County and later police chief in Perham Minnesota. In Minnesota Terry has spent 1000's of hours detecting the Ottertail River, a small fast river that has been a tubing river for over 25 years and has accumulated an amazing collections of rings and jewelry.

Terry and Jean started wintering on the treasure coast in 2005 and he has spent many hours looking for Spanish coins and artifacts along the treasure coast. He is well known along the treasure coast and he has several videos on youtube featuring some of his 1715 Spanish finds. He has found Spanish reales, old rings and jewelry, many ship wreck artifacts and even a gold 18 kt irish posey ring that dates back to the early 1600's. He has been asked to field test metal detecting equipment for some of the major detecting companies. Terry is an active member of two metal detecting clubs, the Minnkota Artifact Recovery Group headquartered in Chaffee, North Dakota and the Treasure Coast Archaeological Society in Sebastian, Florida. Terry is a strong believer in the value of these clubs and credits them for helping him achieve much of the success he enjoys today. See some of Terry's videos:

Those using the beds need to bring their own sheets, blankets and pillows. Pre reservation is recommended as this will help decide how many buildings we will use and where to place the hunters. Please come to registration before attempting to locate your sleeping quarters. Cost for bed use is \$20/night payable at registration.

**\*Food FYI's:** Lamoure has no restaurants, but a Tesoro gas station on Hwy 13 does serve many food items during the day. A super market is also located across the Hwy from Tesoro.
